January 2015 Employee of the Month

Officer JD Summers & Officer Nickolas Eddy were selected as Employees of the Month for January 2015.

On December 11, 2014 the dispatch received a report of a theft of a gun that had just occurred at the pawn shop located at 820 Maine Street. Officers Eddy and Summers quickly responded to the area to assist in looking for the suspects. With the help of some citizens and two court bailiffs, one juvenile was apprehended in the alley 6th - 7th / Spring - Broadway. A backpack containing the stolen gun was recovered by one of the bailiffs and given to Officer Summers. Officer Summers received information that the second subject ran into a nearby house. With the help of other officers, a perimeter was set up on the house. A short time later, consent to enter the residence was obtained and the second juvenile was located and arrested.

Officer Eddy met with the pawn shop employees and viewed the video surveillance to verify the subjects in custody were the same that stole the gun. Officer Eddy collected all the information and evidence needed in this case. Officer Summers continued his investigation and interviewed both juveniles. The juveniles admitted that this was a planned theft and that they had been looking to steal a gun for protection on the streets.

Due to the quick response of these two officers to this incident, the thieves were quickly apprehended and the gun was recovered before it could be used on the street.

Dayshift Squad 1:

On Wednesday, January 14th, at about 1715 hours, Officer Jeff Baird had been detailed to the Blessing Hospital Emergency Room to investigate a stabbing. Upon arrival, Officer Baird quickly determined that there were in fact two victims, and that the incident had taken place near 12th and Einhaus Lane. Officer Baird obtained the suspect's name and address from one of the victims and disseminated that information to officers in the field. Officers Hodges and Ebbing (SCU) conducted surveillance on the suspect's house at 822 No. 12th. A short time later they observed the suspect pull up in the car he had stolen from one of the victims. A short foot chase ensued and the suspect, Shawn Perrine, who was still armed with multiple knives, barricaded himself in his kitchen pantry.

Officer Baird responded to the scene to help deal with the barricade situation. Officer Baird took the lead in speaking to Perrine, who was still armed with multiple edged weapons inside of his pantry. After several very tense minutes, Officer Baird was able to get Perrine to put two of his four knives down. Several more minutes went by, during which, Perrine was still armed with 2 knives. Officer Baird continued to try and calm Perrine down and get him to surrender peacefully.

After about 8 to 10 minutes, Officer Baird was able to convince Perrine to put the remaining knives down and come out of the pantry. Perrine surrendered peacefully and was taken into custody without anyone else being injured.

Officer Baird's initial intelligence gathering and distribution of information made it possible for other officers to quickly locate the suspect as he returned home. In his role as ad hoc crisis negotiator, Officer Baird's calm demeanor, poise, and personal rapport with the suspect were invaluable in bringing this very dangerous situation to a safe resolution.

On Wednesday, January 28th, Justice Broemmer, Devin Bassett & Willie McNair were brought down to headquarters by Officers Willis and E. Scott for a burglary investigation. All three suspects had been caught on surveillance video during a burglary investigation which had occurred on 01-27-15 at 734 N. 4th Street where a 32" television had been stolen from the residence of William Bence. All three suspects were interviewed, and Bassett and McNair admitted that they had taken a television from Bence's apartment, although they blamed each other for the actual entry into the apartment. Broemmer was released without charges. Bassett and McNair were lodged in jail and charged with Residential Burglary.

Dayshift Squad 2:

On 12/25/14, Officer Werries took a vehicle burglary report from Megan Yackle. (14-33466). Yackle advised Werries that her Discover card along with other items had been stolen from her vehicle. She advised that an attempted purchase at Walgreens in Quincy for \$442.00 in gift cards was made. Officer Werries obtained video surveillance from Walgreens including parking lot footage. A single black male was seen using the card. Officer Werries noted that the suspect had come to Walgreens in a grey sedan. He also noted that the suspect had exited the passenger side of the vehicle. Officer Werries worked to determine the make and model of the vehicle. While doing this, a witness gave him a possible name of a suspect.

Officer Werries located and interviewed this suspect and determined he was not involved. This suspect however, was able to identify the suspect in the video surveillance, as Gregory Hernandez-Bullock. Officer JD Summers also took a vehicle burglary report on 12/25/14, from Kathy Gronewold. The initial suspect description was 2 black males. While running from the scene, one suspect called the other Greg. Officers Werries & Summers concluded they were looking for the same subjects. After successfully determining the suspect vehicle was a grey Lincoln MKZ, & the suspect was Gregory Hernandez-Bullock, he was ultimately located at his residence.

Dayshift Squad 1: Continued

Bullock was interviewed and after initial denials, he confessed to using the stolen credit card and being involved in the vehicle burglaries. Bullock at that time named Javonte Henderson-Washington as his accomplice. Subsequently, Officer Tyler recovered a grey Lincoln MKZ from Arby's that had been stolen from Galesburg, IL. Also the morning after the recovery, 01-09-15, Officer Werries & Officer Summers conducted a second interview of Bullock. During this second interview, he admitted his knowledge and involvement in the theft of 3 vehicles. Bullock indicated that Henderson had stolen a Chevrolet Trailblazer from Racine, Wisconsin. This vehicle was then recovered from Indian Hills. Henderson then stole a Kia from Adams County and drove it to Galesburg, IL. Henderson then stole the grey Lincoln from Galesburg and brought it back to Quincy.

All 3 vehicles have been recovered. Evidence of the Gronewold burglary was discovered in the grey Lincoln. Bullock also provided information to Officer Werries & Summers regarding their true purpose in Quincy. They are members of the Gangster Disciples from Chicago. They were sent to Quincy to obtain firearms in exchange from drugs. These firearms are then sold on the street in Chicago. Bullock has been charged with Burglary, & Possession/Use of a Stolen Credit Card. Henderson is currently in custody in Chicago for an unrelated Vehicular Manslaughter case.

Henderson was also arrested here in Quincy in December for Obstructing Justice & Escape. Henderson, after providing a false name, ran from a traffic stop while handcuffed.

Both Officer Werries and Officer Summers spent a considerable amount of time following up on these cases, and went the extra mile which turned 2 vehicle burglary cases into the recovery of multiple stolen vehicles, and removed 2 gang members from Quincy's streets.

On Wednesday, December 10th, QPD was dispatched out to Wal-Mart at 1126 hours for an adult female shoplifter in custody. When Officer Lindsey arrived, he made contact with the suspect, Kathleen R. Carter of Milton, IL. According to Wal-Mart Loss Prevention, Carter had loaded up her cart with approximately \$800 worth of merchandise and tried to walk out of the store with it after passing the last points of sale. Carter was taken into custody and charged with Felony Retail Theft Over \$300 and released on a Notice to Appear as bond. Carter was then taken back to Wal-Mart so she could retrieve her vehicle from the parking lot.

Later in the day, QPD responded to an additional shoplifting call, this time at K-Mart (3701 Broadway) at 1556 hours for an adult female in custody. When Officer JD Summers arrived on scene, the suspect was Kathleen R. Carter again, and this time she was suspected of trying to steal approximately \$70.00 in merchandise. Carter was taken into custody again, and this time she was charged with Retail Theft Under \$300, a Misdemeanor, and transported to QPD headquarters. Carter was processed and ultimately released after posting cash bond. Carter is due to appear in court on January 5th, 2015 at 1000 A.M. on both charges. A news release was put out on this arrest.

On Thursday, December 11th at 1520 hours, Sgt. Scott was flagged down regarding the theft of a firearm from the Quincy Cash and Pawn store located at 820 Maine. Sgt. Scott was told that two juvenile black males had just stolen a .22 Beretta long gun from the store after the owner of the store had inexplicably allowed the juveniles to hold the gun. Two off duty court security officers were in the area and detained one of the suspects on the Burger King parking lot near 7th & Broadway.

That suspect was identified as Diamanthe McGruder, who was 16 years old. Other QPD officers arrived on scene and surrounded 425 N. 7th, which was the residence where the other juvenile had fled into. Two backpacks were recovered from where McGruder had been apprehended, and the stolen firearm was recovered from a backpack belonging to a Zachary Parrish (14 years old). Officers then obtained consent to search 425 N. 7th for Parrish, and located him hiding in a closet. Both juveniles were taken into custody and interviewed by Officer JD Summers. Both juveniles admitted to their roles in the theft of the firearm, and were photographed and fingerprinted for Felony Retail Theft. Parrish was also charged with Possession of a Stolen Firearm. The on-call Probation Officer was contacted regarding this investigation, and instructed that both McGruder and Parrish be released to their parents.

Nightshift Squad 1

Officer Cirrincione started out the year on a busy note. He wrote two DUIs on January 7th.

On 1/14/15 Street Crime Unit Officers Hodges and Ebbing heard the information given out about the stabbing and vehicle theft that occurred at 12th and Einhaus Lane. They knew of the suspect and responded to his residence to set up surveillance. At 1758 hours they observed lights in the alley and moved closer to see if it was the stolen vehicle. It appeared it was and they saw a figure in the dark approaching the rear of the residence. They approached the suspect and the suspect put a knife to his throat and fled into his residence where he made threats against his wife. Officers Hodges and Ebbing followed the suspect into the house and were able to isolate him in a small room. The suspect had four knives to his throat. Officer Baird arrived shortly after this and was able to talk the suspect into surrendering without further incident.

Nightshift Squad 2

On Tuesday, 01-27-15, at approximately 2220 hours, Officer Russell observed a passenger car traveling westbound on Spruce Street at a high rate of speed before disobeying the yield sign at 7th and Spruce. He initiated a traffic stop on the vehicle and made contact with the driver. The Quincy Police Department K-9, Dioji, indicated a positive alert for the odor of narcotics on the front passenger door. A search of the occupants of the vehicle and the vehicle were then conducted. During a search of the vehicle, officers located a loaded semi-automatic Sterling Arms .22 caliber handgun under the front driver's seat and 24.5 grams of green plant material inside of a clear knotted plastic bag on the passenger floorboard. The driver was taken into custody and later lodged in the Adams County Jail on charges of Aggravated Unlawful Use of a Weapon, Manufacture/Delivery of Cannabis 10-30 grams, Possession of Ammunition with a FOID card and Failure to Yield-Yield Intersection.

Officer Russell and his K9 partner, Dioji completed State Police Recertification.
